

## FUTURE OF WORK TASK FORCE

The New Democrat Coalition is made up of more than 100 forward-thinking Democrats who are committed to pro-economic growth, pro-innovation, and fiscally responsible policies. New Democrats are a solutions-oriented coalition seeking to bridge the gap between left and right by challenging outmoded partisan approaches to governing. New Democrats believe the challenges ahead are too great for Members of Congress to refuse to cooperate purely out of partisanship.

### FUTURE OF WORK TASK FORCE MISSION

We live in a period of innovation and economic disruption that has created enormous opportunities for some but a great deal of uncertainty and anxiety for others. The New Democrat Coalition Future of Work Task Force will seek to ensure that this moment of economic change is one of widely shared opportunity and prosperity. As policy makers, we must face the coming change and adapt to ensure Americans have the tools to seize new opportunities. We believe it is time to modernize the systems and institutions of the 20th Century to prepare and support our workers in the changing economy. We will act to ensure that all Americans have the opportunity to succeed, seek to close the skills and opportunity gaps, modernize the social safety net and benefits systems for the 21st century, and empower workers and entrepreneurs.
